PROFESSIONAL OPPORTUNITIES

[Learn More Here](#)

The IUPUI School of Science Department of Chemistry & Chemical Biology invites applications for a full-time non-tenure track faculty position as Lecturer beginning in January 2024. Applicants should hold a Ph.D. in Chemistry or a related field or an M.S. in Chemistry with at least 15 hours of graduate coursework and share our values in innovative and inclusive teaching. Candidates interested in teaching general, physical, and/or inorganic chemistry courses are especially encouraged to apply. Experience in online teaching would be beneficial. Non-tenure track teaching faculty have service and scholarly work expectations in addition to their primary teaching load and are eligible for promotion through Senior Lecturer to Teaching Professor.

Computer Science Phoenix STEM Instructional Professor

The Department of Computer Science in the Physical Sciences Division at the University of Chicago invites applications for teaching positions for the position of Instructional Professor (open rank). The selected candidate will be appointed as Assistant Instructional Professor, Associate Instructional Professor, or Instructional Professor, depending on qualifications. The appointment will be for a term of up to five years, renewable. This is a career-track position with potential progression, competitive salary, and benefits, with time allocated for professional development. This position is expected to begin in academic year 2024-2025.
